Dr. Broman moved that the Board approve the proposed FY 2013/2014 CHRB Administrative Budget in the amount of \$185,483.75. The approved CHRB administrative budget includes \$16,154.57 [rounded to \$16,200] for fiscal services provided by the Department of Accounts [DOA] to the Board. A breakdown of the DOA fiscal fee is provided in Attachment A. The contents of Attachment A are incorporated here by reference as if fully set forth here. The approved CHRB administrative budget includes a 2% salary increase and corresponding fringe benefits for the Administrator, Anne Pace, and includes an increase in hours for the scientific consultants to 162 hours each at \$100 per hour. This increase in total hours is related to the decision made by the Board for both scientific consultants to review all full proposal submissions. [Previously, the scientific consultants each reviewed one half of the full proposal submissions.] Lastly, the approved administrative budget includes \$5,000 for services provided to the CHRB by the Office of the Attorney General. The Board also delegated authority to Dr. Call and authorized him to complete a performance review of the CHRB Administrator and to develop any contracts or contract amendments necessary to establish the scope of work, compensation, and terms and conditions governing the scientific consultants as independent contractors of the CHRB.

Grant Funding Available for FY 2012/2013 CHRB Grant Awards

Administrator Pace distributed an Excel spreadsheet entitled, *Outstanding CHRB Grant Expenses as of May 2013*. This spreadsheet provides outstanding grant expenses for current year grant awards and funding obligations for years forward. The spreadsheet also reflects the 5-year average market value amount of \$27,438,259 provided by the Virginia Retirement System [VRS]. This amount is the average market value of the prior five calendar years. Mrs. Pace provided scenarios ranging from 3.2% to 6.0% and the respective grant funding available for grant awards [minus VRS and CHRB administrative expenses].

FY 2012/2013 YTD CHRB Administrative Expenses and Grant Payments [through April 30, 2013]

Administrator Pace provided the Board with FY 2012/2013 year-to-date administrative and grant expenses through April 30, 2013. The fiscal year 2012/2013 began on July 1, 2012 and ends on June 30, 2013. [3] Updates on proposed CHRB Webinar in lieu of Grants Workshop

Mrs. Pace reported that she is working with the Department of Accounts Information Technology staff regarding a proposed CHRB Webinar. Due to the fact that the approved FY 2014/2015 CHRB Grant Guidelines [effective July 1, 2013] must be posted to the CHRB Website by July 1, 2013, Mrs. Pace suggested that information regarding the upcoming grant process be provided on the CHRB Website in a PowerPoint format. Mrs. Pace is continuing to work with the Library of Virginia to finalize a plan to dispose of the CHRB paper records after scanning the original documents and will forward the plan to the members for their review and approval. Once approved by the members, Mrs. Pace will proceed with scanning original documents of past grant application and award information to reduce large volumes of paper copies of this same information.
